ROD BUILDER PRICE LIST

The Beauty of Cork

Cork4us

www.cork4us.com

EXPORT PRICE LIST

Prices in this price list are in Euros € and do not include taxes or shipping

Customers from the European Union without Registered VAT, the rate in force in their own country will be applied.

The included prices are net for customers outside of the European Community

Orders are shipped via FedEx or TNT and transit times are typically 2 - 3 business day.

Cork4us is not responsible for delays or carrier issues with orders

Prices are subject to change without notice

All orders payments must be received prior to shipping - Accepted forms of payment are: paypal ; Bank Transfer or Revolut (US dollar is preferred by Revolut)

There is a minimum order of 200€ to open account and value do not include shipping. Orders with value from 300€ shipping is FREE

Due to high production costs, no discounts are offered on Top Flor , Flor , Safari or Zebra models

All models come standard with .25" / 6.35mm

All models can be produced with no center hole or others diameters sizes

All burl models are available in block form (38mm x 38mm x 308mm / 1.5" x 1.5" x 12")

Annual Discount Program

Customers who spend 1000€ - 1500€ annually, will receive an additional 5% discount on orders

Customers who spend 1501€ + annually, will receive an additional 10% discount on orders

The annual discount program is a summary of invoices for the year.

As soon as the minimum thresholds are met, the additional respective discounts will be applied. The annual discount program restarts at the beginning of the year.

Bulk Ring Model Discount Program

In addition to the Annual Discount Program, customers can take advantage of the bulk ring model discount. If the order contains the minimum order of one type of ring an additional discount will be applied. See tables below for minimum order qty and respective discount.
